CLASS INFORMATION

PARTNERS: The number of spots available is limited to an equal number of leaders and followers. Singles will be put on a wait-list until we can confirm that enough dancers of the other role have registered.

ADVANCED CLASSES: It is advised to register with a partner for advanced level classes as working with a partner that you know can greatly enhance the experience. Advanced dancers without partners will be admitted if we are able to confirm an equal number of partners, however it should be noted that although we try to filter levels, we can not guarantee the level of all the participants of a class.
